

Double Limited Lifetime
Warranty

Thank you for your purchase of product(s) manufactured by Westlake Royal Building Products. We are committed to meeting homeowner demands for high quality, low maintenance building materials. For more information about our complete line, please visit www.WestlakeRoyalBuildingProducts.com.

Effective Date: This warranty is in effect for all Products sold after 01/01/2019.

Terms:

Subject to the terms and conditions of this warranty, Westlake Royal Building Products (herein "Westlake Royal") warrants to the Homeowner that its vinyl siding, soffits, and accessories (collectively, "Products") are free from manufacturing defects in material and workmanship if installed according to our installation instructions, and will not rot, peel, flake, corrode, blister, split, chip, fade excessively or fade unevenly when exposed evenly. While you own your home, this warranty will remain in effect for your lifetime. It may be transferred once to a subsequent Homeowner, as set forth below. Westlake Royal reserves the right to discontinue, modify, or otherwise alter any of its Products, including color, without prior notice.

This warranty is made exclusively and specifically to the person(s) who both owns and continuously resides in the home on which the Products are installed (herein "Homeowner") if that person is the original purchaser of Westlake Royal's Product(s) covered under this warranty. This warranty is also made to a Homeowner who purchases a newly constructed residence on which the Product is installed directly from the builder.

Where Westlake Royal's Product(s) are installed on a structure (i) not occupied exclusively by the Homeowner (including his or her immediate family), (ii) used for income producing purposes, or (iii) used in a public or semi-public application, such as (but not limited to) a condominium, apartment building, house of worship, school, medical facility, senior living facility, government building, hotel, etc., then the warranty is made solely to the original owner of the structure ("Commercial Owner") and is not transferable. The term of the Commercial Owner's warranty is 50 years, prorated below.

If Westlake Royal determines, at its sole discretion, that its Product(s) have a manufacturing defect covered under the terms of this warranty, Westlake Royal will, at its option, either (1) refund the purchase price of the material and the cost of original labor paid to install Product(s), (2) pay to repair, replace, refinish or coat any Product it determines has a manufacturing defect, including the cost of labor, not in excess of the original cost of installation. In the event of repair, replacement, refinishing, or coating, the warranty applicable to the original Product(s) shall apply to the repaired, replaced, refinished or coated Product and will extend for the balance of the original term of the warranty period. These remedies are the sole remedies for any defect to the Product.

In addition to the foregoing, any costs incurred not covered by applicable homeowner's insurance can be claimed upon application for warranty coverage and the payment of \$50 (Fifty US Dollars) for warranty servicing. This hail coverage shall only cover replacement material costs and never any labor to replace damaged pieces of product. Proof of insurance required.

Limitations:

Westlake Royal's warranty does not provide protection against any damage caused by events beyond normal weathering conditions (defined below), including, but not limited to:

- Improper installation
- Misuse or negligence
- Failure to provide reasonable maintenance to prevent accumulation of dirt, mildew, staining materials, pollution, exposure to chemical products, or incompatible cleaners
- Alterations, like applying paints, coatings, stains, or varnishes
- Improper handling or storage
- Defects in the wall structure (materials or construction) on which Westlake Royal's products are installed that cause failure, such as movement, cracking, or settling of the wall, foundation or building

- Deformation caused by high heat sources, including, but not limited to, grills, fire pits and reflections from foil sheathing, low e-glass windows, and low e-glass doors
- Damage caused by animals or insects
- Impact of foreign objects, hail, lightning, fire, hurricane, tornadoes, or other Acts of God
- Vandalism, intentional damage, riot, or insurrection

"Normal weathering" is defined as exposure to sunlight, atmosphere, and typical variations that will cause any colored or painted surface to fade, darken, chalk or acquire a surface accumulation of dirt or stains. The severity of these conditions depends on air quality, the geographic location of the property, and other local conditions over which Westlake Royal has no control. Westlake Royal shall determine, at its discretion, whether the siding is suffering from abnormal weathering (which is not covered by warranty). This conclusion shall be based on whether the Product(s) evidence a change in color in excess of the Hunter Units, as calculated according to ASTM D2244, as outlined in the chart herein. Product(s) must have been exposed to the same weathering conditions and not partially covered by other materials, such as shutters, awnings, porticos, or other materials. PLEASE NOTE THAT THE MUSKET BROWN COLOR IS EXPLICITLY NOT WARRANTED FOR SIDEWALL APPLICATIONS.
